Japanese Earthquake and Tsunami: How to Help

NAR has identified four charities providing relief to Japan as it struggles in the aftermath of its 9.0-magnitude earthquake and tsunami. You are invited to acquaint yourselves with the charities' efforts in the stricken country and their donor ratings by accessing [NAR's summary](#) or you can go directly to the charities themselves: [AmeriCares](#), [Habitat for Humanity International](#), [UNICEF-USA](#), and [World Vision](#).

RSVP Volunteers! We are currently seeking volunteers to participate in helping those in need. RSVP is a one day community outreach program that takes place on May 18, 2011, during "Adopt-A-Senior" Week.

The program provides free assistance to qualified seniors who cannot otherwise perform certain household tasks due to physical or financial constraints.

Due to the overwhelming success of the press we received in the Sentinel, the number of requests has almost tripled from last year!
