Legislative Day is Coming June 3rd!

Legislative Day is an opportunity for REALTORS® from across California to meet with their state legislators to discuss the issues that affect the real estate industry the most. Attending Legislative Day is not only a great investment in your business, it will also provide you with an opportunity to hear from the state's most dynamic political leaders and the leadership of your state association, and enjoy a fabulous reception.

Assembly Member Roger Niello is scheduled to address us and Attorney General Jerry Brown has been invited to speak about issues that affect our industry. We will also be "marching" on the Capitol to have a group picture taken, followed by individual association luncheons and legislative office visits. The day will conclude with a fabulous reception for those who invest in the REALTOR® Action Fund.

Also beginning June 3rd, C.A.R. will present the California REALTOR® Showcase during the June business meetings in Sacramento. Taking place at the Sacramento Convention Center, the showcase will feature table tops to help REALTORS® stay informed about the latest real estate products and services. Please click [here](#) for more information about the REALTOR® Showcase.

Join other SCAOR members making the trek to Sacramento on June 3rd by reserving a seat on the Leg Day bus. Click on the "Get on the Bus" icon above or call the SCAOR office at 831-464-2000.

While Legislative Day and Showcase are free events, you will need to be registered to be admitted to Showcase. Please click [here](#) for more information.
