KEYBOX EXCHANGE IS JUST AROUND THE CORNER

On May 11th & 12th, Supra will be holding a keybox exchange at the Association office and you will have the opportunity to trade in that old AE11 box for a brand new leased iBox. Why the exchange? The electronic iBox's open architecture will allow for future enhancements and the ability to incorporate other technologies such as the Palm and Blackberry devices.

This will be a one for one exchange. You bring in one AE11 box and in return you will receive one leased iBox. Bring in 10 and you get 10 leased iBoxes. Bring in 25 and you get 25 leased iBoxes, and so on and so on.

To ensure a smooth and successful exchange each AE11 box must be registered in your name. If you procured AE11 boxes from another SCAOR member and the association was not notified you will need to do the following prior to the exchange. The previous owner of the box will need to notify Norma Milete via email nmilete@scaor.org. In the email please include the serial number (s) of the boxes and the name of the new owner. Notification must be in writing-no phone calls please. Please note: a one time transfer fee of \$5.00 will be charged for this service. AE11 boxes procured through any other source (i.e.: Craigs List) other than SCAOR or a SCAOR member cannot be exchanged.

The exchange on May 11th & 12th will be by appointment only. All REALTOR® members will receive a packet via USPS in the next few days. This packet will include your appointment date & time. If you are unable to keep the set appointment, contact the Association immediately to reschedule.
