831-476-1988

Having run the mobile and manufactured home department at two major national title companies for the last 18 years, I decided to branch out on my own and create a dedicated business specializing in this unique market. Due to the vast difference in the traditional real property escrow and the mobile/manufactured home escrow, I felt the need to create an exclusive environment to provide a higher level of service to this distinct market that didn't exist in our area.
