Santa Cruz County Association of REALTORS®

Who We Are

Every organization has a Mission Statement, and the best organization's statements are clear and succinct

Fostering a collaborative community that enhances professionalism and integrity while advocating for home ownership, housing, and private property rights.

These words reflect our expectations of ourselves and our duties to you.

SCCAR is a real estate trade organization which represents all facets of the real estate industry in Santa Cruz County. Over 113 years ago in Santa Cruz, a handful of individuals joined together for the purpose of exchanging information about properties which were for sale and to share ideas about real estate. It was from this exchange of ideas that the local organization was formed.

SCCAR Members in the Community REALTORS® are Good Neighbors

Being a REALTOR® is much more than helping people buy or sell homes. It's about being an active member of the communities in which they serve. From advocacy to education to service, members of the Santa Cruz County Association of REALTORS® (SCCAR) not only hold themselves to a higher professional standard but are also committed to ensuring their communities thrive.

Members of SCCAR have been actively involved in building better communities for a long time.

When representing a buyer, seller, landlord, tenant, or other client as an agent, REALTORS® pledge themselves to protect and promote the interests of their client. This obligation to the client is primary, but it does not relieve us of our obligation to treat all parties honestly. As a group, SCCAR works year-round to promote this high standard by assisting its members in their ongoing efforts to better serve you.

Our members are REALTORS® and Affiliates, including lenders, title companies, inspectors and contractors. Collectively, we work with each other, the California Association of REALTORS® and the National Association of REALTORS® to better the real estate industry and protect private property rights.
