## Cybercrime & Transactional Fraud Certification

Cybercriminals don't just hack emails, they hack trust. In real estate, where every deal hinges on communication and timing, fraudsters have found creative ways to target transactions, divert money, and steal property titles. The Cybercrime & Transaction Fraud Certification (CTF) gives you practical tools and knowledge to spot scams, prevent fraud, and protect your clients throughout the transaction process. **C.A.R. Members - access this course for FREE! This course is available online anytime.** [Learn more](#)
